Review: The Four Pillars of Investing - The Simple Dollar So, yes, The Four Pillars of Investing intrigued me quite a bit and got my juices flowing for the first time about investing. It appealed very strongly to my analytical sense, much like A Random Walk Down Wall Street , but unlike that other book, this one attempts to identify the underlying ideas behind sound investing. The Four Pillars of Investing by William J. Bernstein The four pillars: Theory of Investing (returns are directly linked to risk), the History of Investing (understand past performance to build a portfolio, not to chase returns), the Psychology of Investing (stay the course!), and the Business of Investing (long-term, low-cost index funds will statistically beat any actively managed plan. Four Pillars of Responsible Investing | Calvert Four Pillars of Responsible Investing As Responsible Investing gains ground, more investment managers are offering environment, social and governance (ESG)-focused investments. But not all Responsible Investment strategies are created equal.
